Fee to be paid to: Spar Nord, reg. nr. 9035. konto nr. 457 1906 762.  
IBAN: dk8190354571906762. SWIFT: spnodk22.  
Reference: PC-MDT symposium, name and hospital.

**Accommodation:** Hotel reservation will be made for you and will be included in the fee (2 night, November 16-18th). A dinner for participants will be arranged November 17th, it is also included in the course fee.

**Department of Surgery,** Section for Upper Gastrointestinal Surgery, evaluates and operates patients with upper GI tract cancer. The section is well known for its pioneer work with pretherapeutic assessment using advanced surgical ultrasound and has a long tradition of research and technical development in this field.

**Odense University Hospital** is a highly specialized hospital that covers all medical specialist areas. It is one of the largest hospitals in northern Europe with approximately 10.000 employees in 60 clinical departments and 1300 beds in use. The hospital treats approximately 105.000 in-patients and approximately 900.000 out-patients per year.

Odense is situated on the island of Fyn. The easiest way of getting to Odense is to fly into Copenhagen and take the train to Odense from the airport (approximately 1,5h).
